Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Pittsburgh Public Steps Rehabilitation Community Project. The recipient address is 414 Grant St, Pittsburgh, PA 15219. This request would allow the City of Pittsburgh to be able to renovate 10 sets of city steps. Pittsburgh has more public staircases than any city in the United States and they are a critical piece of our transportation fabric. The city seeks to repair or replace ten sets of deteriorated or technically challenging stepways that have real impact for people walking in Pittsburgh's most hilly neighborhoods. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely

Mike Doyle
Member of Congress
